Description

8'6" x 84" Flatlander Flat Bed Model

Standard Features:

- 4" Structural Channel Steel Frame Rails 4 structural channel frame rails provide strength, durability, and prevent any rusting from the interior of the tube.
- 1/8" Steel Tread Plate Deck This strong and long-lasting deck is designed for heavy-duty work, withstanding the rigorous conditions that our bodies are placed under.
- 3" Steel Roll Formed 3/16" Channel Crossmembers Industry leading specs to provide exceptional durability and longevity.
- 18,500 lb. Independently Rated Steel Drop Hitch Our independently rated bumper pull hitch gives you a best in class towing capacity as it is integrated into the entire frame. With full access to the receiver and integrated safety chain loops.
- 30,000 lb. Independently Rated Gooseneck Hitch This is an independently tested gooseneck hitch that will remain durable throughout your hauls. It contains a 7-way electrical plug to give you ample choices for your power-driven needs.
- Angled Fuel Fill The angled fuel fill ensures that you won't have to worry about fueling your work truck or splashing fuel back on yourself.
- Steel Radius Fenders A durable and better-looking fender that will serve you well on the road.
- Steel Tube Headache Rack Our headache racks are designed with strong materials to keep you safe when the unexpected happens and include LED lighting to make your stop, turn, and tag lights easier to be seen and recognized.
- Formed Steel Bumper With Aluminum Tread Plate Trim The aluminum trim provides a brighter, more polished look to the bumper of your work truck.
- Side Running Boards with Rear Recessed Footholes
